

## THE RIGHT SOLUTION

# Worldspan Go!® Hotel Booking Tool

*Booking Hotels Is Easier Than Ever*

### A Worldspan user tells the story...

"One of my new agents was really struggling to learn traditional formats, but after a short lesson with this tool, she was able to quickly complete a booking on her own."

*Greenwood Travel, Greenwood, SC*

### Why Use The Worldspan Go! Hotel Booking Tool To Book Accommodations?

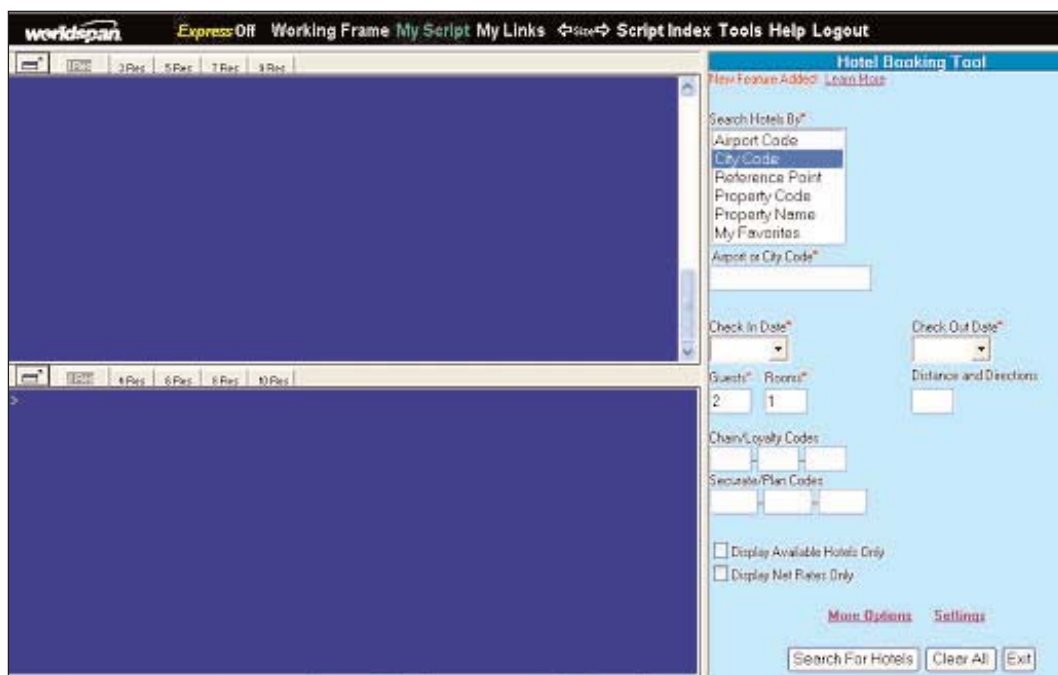

- **Fast Bookings:** Multiple phone calls to hotel suppliers requires more time than is necessary to make a hotel booking. Using this powerful tool, you can do it in seconds through Worldspan.
- **Graphical Displays:** Results shown in Web-like displays make it simple to suggest choices to your clients.
- **No Training Required:** Since there are no new formats to learn, novice agents are able to complete their first bookings in less than a minute.
- **Convenience:** You don't have to leave the native reservation window to view results. This allows you to stay within the working environment where you are comfortable.
- **Customer Satisfaction:** Fewer format entries mean faster bookings and reduced chance for errors.
- **Interactive Maps:** Mapping functionality allows you to roll your mouse over properties for hotel details.
- **Colorful Images:** Photographs of most hotels are automatically displayed in booking tool results.
- **City Reference Points:** You can search by reference points and display their exact distances to hotels.
- **Efficiency:** The Go! Hotel Booking Tool automatically pre-fills booking fields with existing PNR data.
- **Simple Tracking:** Everything about this tool is easy, and this includes keeping track of your bookings.
- **Favorite Searches:** Use Worldspan's exclusive Hotel Save option to save, display and map your preferred searches for future bookings.

## The Go! Hotel Booking Tool Gives You Power And Flexibility To Earn Higher Revenues

- **Increase Sales and Commissions:** If you have already booked the flights, remember to secure the hotel room.
- **Imagine the Possibilities:** Just one more hotel booking each day could add \$600 per month, or \$7,200 per year to your bottom line.
- **Utilize Your Negotiated Rates:** You can include your corporate or negotiated rates with one easy click.
- **Personalize Your Tool:** The Hotel Default Record is customizable by your SID and agent sine.
- **Get Credit:** Remember you can receive productivity pricing credits for hotel bookings in Worldspan.
- **Use It Free of Charge:** The Go! Hotel Booking Tool and dozens of other powerful Worldspan tools and scripts are at your command—at no cost..

## How Many Hotels Are Available In Worldspan?

More than 70,000 properties and approximately 260 hotel chains are currently available worldwide, and the list is growing.

## How Do I Access The Go! Hotel Booking Tool?

From the Worldspan Go! desktop, you'll find the Go! Hotel Booking Tool in the Script Index under the Book tab.
